**IMPORTANT NOTICE:** Cargo items tendered or directed to be tendered by your firm for air transportation are subject to Aviation Security controls by air carriers and when appropriate, other Government Regulations. Copies of all relevant shipping documents showing the cargo's consignee, consignor, description, and other relevant data will be retained on file until the cargo completes its transportation. Carrier's liability is limited under Terms & Conditions on reverse side unless shipper requests additional declared value (subject to additional charge). **WARNING:** These commodities, technology or software were exported from the United States in accordance with the export administration regulations. Diversion contrary to U.S. law prohibited.
